My dear Rotary family,

August is the auspicious month on account of Raksha Bandhan, Krishna Janam Ashtami. Also this year was India's 75th Independence Day. Jai Hind to all.

With God's grace things are moving in right direction with pandemic hopefully ebbing with stupendous efforts of govt where almost half the population having been vaccinated & following precautions by general public!

This was so obvious on the faces of 41 Rotarians who flocked in the luxury coach as being released from custody of homes, out on Out Station Assembly being thirsty for bonhomie among friends! Why ladies should be left behind. They have had lions share of overwork at home looking after their husbands on web office & children on virtual classes.

Their trip was planned near men's hotel. Unique idea!

The whole trip was so well planned & delightfully executed where each & every member old & new was so taken care of. Infact this trip augers well for keeping our flock together, as it establishes a bond between our new & old ones plus besides being a learning process for them.

For grand success of this trip I must congratulate President Rtn S B Singh & his team of Mani ji, Vinod Bansal, J M Singh, Vikas Dhingra, Lalit.....

It is a known fact that our Rotary club is considered best in District but slowly it is getting recognition not only in India but internationally as well by recently organizing a virtual seminar on Organ Donation thru passionate zeal of PP Rtn Sanjeev Verma.

Maa ki Rasoi, a simple project initiated by IPP Rtn Mukesh Agarwal is becoming a humanitarian club project which is being funded through contribution by Rotarians on their children's birthdays !

Cinemas had just opened as lock down eased & the first movie that was screened on 1st day was viewed in V.K.Mall, was "Bell Bottom". Good thriller in which Akshay played well as RAW agent on national cause! It was thoroughly enjoyed by club members with families taking all covid precautions!
