From the Desk of Club Editor " REFLECTIONS"

My dear Rotary family,

It's great privilege for our this year's Pres S.B.Singh & Club Secretary Mani Bajaj that we've our Indian R.I.President Shekhar Mehta at Evanston USA, who has very apt theme for this Rotary Year, "Serve to change lives".

Major focus area of our R.I.P. this year is "Empowering the Girl Child". We in our club in the very first week of the month have distributed sanitary napkins, face wash & Ayurvedic medicines to underprivileged girls of the community. You cannot do this job better than when we've a lady leader Rtn Mani Bajaj to lead this cause!

In serving society to change lives, I again don't think we've any club in district 3011 where they've conducted as many Blood Donations Camps as we've had in recent years & no Rotarian as committed to the cause than our Pres S.B.Singh who's not left any major Gurudwara for these camps!

There's no greater noble cause than serve as our doctors, nurses & medical staff who've been next to God in saving lives of lacs of patients who were victims of pandemic! Under Rotary Foundation Global Grant we've this month handed over one fully equipped new Ambulance to LIFE AID Medical Centre.

To close my message:

The biggest gift we are given is the power to touch a life,

To change, to make a difference in the circle o' life.

If we can reach out with our hand, heart & soul.

The magic will start to happen, As the wheel begins to roll. Let's turn the wheel together, so all humanity thrives, We've the power & the magic " to serve to change lives".
