16th March : Holi Milan Dinner at Qutub Golf Club

Holi Milan Dinner at Qutub Golf Club

After two years of subdued Holi, in pandemic times, this year saw a relief, in March. Taking advantage of this lull, RCDSW hosted the festival of colors as Holi Milan Dinner, amidst the lush green environs, of Qutab Golf Club. Pleasant weather added to the beauty of the evening. The most beautiful thing about the Holi celebrations in India is that every region celebrates the festival of colors in its own unique way. And here at RCDSW, we celebrate by welcoming our members with Chandan Tikka on their foreheads, instead of colors. Holi Milan dinner always manages to retain the basic mood that this traditional festival has been known to bring about.

It was a wonderful fellowship with melodious live singing by Anshu Sinha. The evening was marked with delicious starters, cocktails and a sumptuous dinner with music & dancing. Pictures of one & all with Holi caps were a must.

Relief was for once as masks were off, ofcourse with caution of keeping the social distance.

A special thanks to Rtn Sandeep Agarwal for suggesting and helping in the booking of the Venue. Rtn. Arvind Gupta for deciding and managing F&B. Rtn Kishan Agarwal for mouthwatering Gujiyas for one and all.

From the Desk of Club Editor "REFLECTIONS"

Dear Rotary Family,

The playwright George Bernard Shaw once wrote, "imagination is the beginning of creation. you imagine what you desire & will, and at last, you create what you will". But in Rotary, we do not just imagine that future--we will it, and we work to create it, thru thousands of Rotary Clubs all over the world.

We too in our club do whatever we could do during normal times or the two years coronavirus-induced hiatus. Feeding month after month, poor people thru Project Maa ki Rasoi, when our members & their spouses fed & still feeding the underprivileged, with their own hands. Then thru Blood banks, mostly at Gurdwaras, our members volunteered to donate their own blood along with other donors, motivated by their own youth's motivational spirit.

Well, March happens to be the month of the celebration of Holi (one of our two biggest festivals for Hindus & Sikhs). After subdued two years, this Holi our club celebrated it with full enthusiasm at a perfect family dinner, with music, dance, cocktails et al at lush green open-air environs of Qutab Golf Course. Yes instead of Colors it was cool chandan-lep on foreheads with Happy Holi to all, a festival to forget the "Ranjeshe hi sahi dil lo lubhane ke liye aa"

Month-end at outstation PETS, we have had unprecedented presence, of our club members, who were chosen for training to lead this prestigious Rotary District. But as luck had it our President-Elect(s) did not have the luck to attend last year as well as this year for personal constraints. I personally believe PETS is an essential training platform for President-Elect, similar to SETs for Club Secretary-Elect. Whatever maximum I learned in Rotary as Secretary & President was thru SETs & PETS, as you gain enormous motivation & experience of the PDGs, who have devoted their best years of life to Rotary.

With warm regards of summer,
PP Rtn Subhash Dewan
