From the Desk of Club Editor " REFLECTIONS"

Dear Rotary family,

Our biggest festival Diwali is now no longer bound by our borders, it travels across US, Europe & even to Middle East. We all have our own traditions of celebrating it...Modi ji spends it among army jawans either on icy northern borders or with BSF in deserts of Rajasthan. We Rotarians have tradition of sharing with less fortunate in orphanage, elders homes. This year our PP Lokesh ji trooped us Rotarians to his looked after Rotary Literacy & Skill Centre amongst joyful students who displayed their talent.

This year's PEM 1 was co hosted by our club along with other clubs at Le Meridian Gurgaon where our PE Vikas Dhingra with Divya had his first test of Rotary club president R.Y.2021-22 training. PP Ranjan Chopra was designated Dist Treasure, PP Sandeep Mandal & Rtn Neeru Bansal as AGs of the year. In nostalgic memory of my mellinium year PEM 1 training I was intrigued when our DG told us batchmates that "your Year of leadership starts 6 months before the D-Day". This is how Rotary grooms its leaders!

On 14th Nov Pres S.B. & Sec Mani organized "Ek Hasseen Sham" a perfect cocktails & dinner meet in the posh environs of Delhi Gymkhana in slight evening chill. There were lots of prizes sponsored by past presidents. & I too to my surprise won a big one for first time!

On Prakash Gurpurv our club organized a Mega Blood Donation Camp along with Gurdwara parbhandhak committee at Gurudwara Rakab Ganj where 135 units was collected from sangat & our members.

Yours in Rotary
