31st October : Screening of Cricket Match between India & New Zealand

31st October : Screening of Cricket Match between India & New Zealand

From the Desk of Club Editor " REFLECTIONS"

Dear Club members,

With grace of All Mighty we've had good rains, followed by welcome winter & auspicious days of festivities over Diwali!

Oct events began with social visit of Club Rotarians & spouses to "Adarsh Andh Vidyalaya" at Sadiq Ngr with lots of best rations, eatables & items of their daily use. We've many times in past visited this venue & delivered our best.

I believe blindness is the biggest curse that may fall on a person, who has taken birth on this planet Earth & still remains bereft of nature's beauty & man- made marvels!

During Ranjan Chopra's President-ship 2004-5 when I chose to be Secretary second time still being PP, in a Speaker Meeting there was a visit of a renowned eye specialist who was shocked to know India's world highest blindness & wondered why thousands of dead are buried or cremated with their healthy live eyes whose corneas can make double the number of blinds can see (with one eye).

Yes we're proud of the fact that our our own PP Sanjeev Verma & Sunita ji years back in one Intercity on Organ Donation (where I too was present) pledged to the audience that their whole family pledges to donate their bodies for those suffered organ loss! This & there was no looking back as Sanjeev has become legend among all Rotary Districts in India. I'm proud of the fact that Pankaj got my late father's eyes donated to two (un-named) grateful blinds in 2010.

Since I've taken most of your space & this month ended with bad taste in mouth, though on a very spl event organized by S.B. & Mani ji at mall for members to enjoy 2nd T20 match with a burning hope of entering Semifinals collapsed in ashes!

Well till we meet next. Au Revoir!

warm regards

PP Rtn Subhash Dewan
Club Bulletin Editor
